

CHRISTIAN LEADERSHIP TRAINING SCHOOL SESSION 18

Halleluyah! The Christian Leadership Training School (CLTS), **for the year 2016 commenced today July 5, 2016**. This is **the 18th Session!** We thank God for eighteen years of His faithfulness. Since the training began in the year 1998 as an effort of the Lord to equip Church Leaders, especially, Pastors and Church Overseers in Biblical Leadership, **CLTS** has been growing from glory to glory. Since 1998, about 19 countries have had representation in the **CLTS** to the glory of God.

Christian Leadership is patterned according to Biblical standards and it differs from world view of leadership. Unfortunately, in the church today, there is dearth of leaders in the mode shown by the Lord. The situation is even more precarious when we look at cultural influences on leadership generally and specifically on church leaders. This is not just peculiar to Africans, it is a problem across the nations of the world.

The **CLTS** seeks to conceptualize leadership from biblical principles, bringing the leaders to the truth set by the Lord as pattern for church leaders and overseers. This year marks the 18th year of consistent teaching of Biblical Leadership Principles with living examples from the Glory Tabernacle Ministry. About **60 Pastors are participating** in the **CLTS** this year. These Pastors are from **Republic of Benin, Nigeria and South Africa**. We believe God that it will be a great time of positive influence and impartation of the Holy Spirit. Amen

We desire that you have opportunity to refresh yourself with some of the teachings. Kindly join us online using the link http://glorytabernacleibadan.org/online_church.php to **WATCH** the powerful teachings **LIVE**. We believe God that it will be a great time of positive influence and impartation of the Holy Spirit. Amen
